  §  
COUNTY OF ARANSAS §

COMMISSIONERS' COURT

## RESOLUTION #R - 02 - 2020

*to encourage countywide participation in the 2020 Census*

**WHEREAS**, the U.S. Census Bureau has conducted a constitutionally-mandated census every decade since 1790 to determine the distribution and number of all people—both citizens and noncitizens—living in the United States; and

**WHEREAS**, this collected data is used by our nation's leaders to make vital decisions on behalf of all residents for the allocation of federal and state funding to communities and provides an opportunity for local governments to help shape the foundation of our society and play an active role in democracy; and

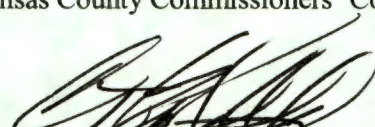

**WHEREAS**, census data helps determine how many seats each state will have in the U.S. House of Representatives and is necessary for the fair and accurate redistricting of state legislative seats, voting districts, and boundaries of our county precincts and city wards; and

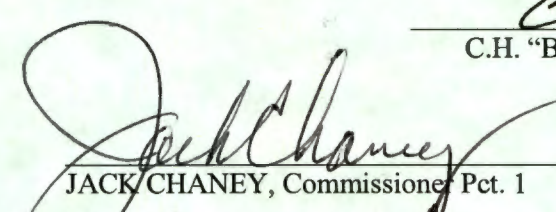

**WHEREAS**, individuals representing local government, businesses, education, non-profits, and others have come together to develop an outreach effort to publicize the importance of the 2020 Census and the anonymity of all responses to it in order to help maximize our community's participation; and

**WHEREAS**, this year, the Census Bureau is introducing new technology to make it easier than ever to respond to the census online, by phone, or by mail, and even offers various language options.

**NOW, THEREFORE, BE IT RESOLVED** that we, the members of the Aransas County Commissioners' Court, do hereby support the ideals and goals of the 2020 Census and encourage ALL residents to participate in the 2020 Census so EVERYONE in Aransas County is counted.

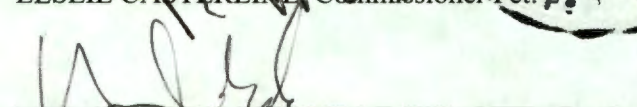

**PASSED AND APPROVED** by Aransas County Commissioners' Court on the 9th day of March, 2020.
